Dear Peter:

Thank you so much for coming to speak to all of our juniors here at T.C. Williams as part of our new community service initiative. I think it was very helpful for the students to learn about how people can contribute to their communities and to the greater good beyond just the 10-hour requirement for our program. Learning about your experience will help inspire this young generation to consider dedicating part of their lives to helping those less fortunate. I think the examples you gave grabbed the attention of the students, especially your work in the civil rights movement in the South. Keep up the good work!

Sincerely,
